

REGULAR GIVING

What is regular giving?

Giving regularly from your bank account is a cost-effective and simple way of making a donation to Bridging The Gap. Your ongoing donation, which once set up can be deducted automatically from your bank account at a period you specify, allows bridging The Gap to support more people into training and the workplace

Benefits for you

You only have to set up a regular donation once with your bank. All donations over \$2 made to Bridging The Gap are fully tax deductible. You are in control of the amount and the frequency of your donation.

Benefits for Bridging The Gap

Regular giving greatly reduces Bridging The Gap's administration costs because we receive the money throughout the year and are only required to issue one receipt at the end of the tax year. Therefore, more money reaches the people who need it most!

Your donation will help Bridging The Gap continue to make a difference to people's lives.

A \$5 per fortnight donation could feed an individual on a life changing leadership residential experience.

A \$10 per fortnight donation will allow a young person to complete a career development session, and see their way forward to success.
